## Coach's Analysis

We lost Erin Downing from last year's team; she was our leading rebounder, 2<sup>nd</sup> leading scorer, and best defensive player. We will need to have multiple players step up on offense and defense as well as fill the leadership void left by her. In addition, this team will need to hang its hat on defense and consistently play with physicality and toughness to make up for its lack of size inside. As long as we continue to work hard and improve each week, we hope to compete in both leagues. Crestview and Delphos Jefferson won the NWC last year and will be the favorites to win the conference again this year. The PCL will be very competitive and has many teams capable of winning the league.
